The Sun Valley Ballet School is a non-profit organization that is dedicated to providing superior dance instruction and continuing performance opportunities for the student dancers. The parent volunteers have always been a crucial part of achieving this goal. We have always tried to make it a fun community effort by soliciting the combined efforts and talents of all the parents. The student dancers are proud to have their parents involved in their performances, and parents enjoy being part of the behind-the-scenes excitement.

Before each performance, we ask all parents to review the volunteer sign-up sheets and give the School as much time as they comfortably can. All parents are responsible for a minimum volunteer commitment, as outlined below, if their child will be performing in the shows. Parents are free to choose not to have their child perform in the shows if they do not want to volunteer.

_____ Yes, my child (named above) will participate in the Christmas performance. Therefore, I agree to volunteer for two spots during the Christmas Show week.

_____ No, my child will NOT participate in the Christmas performance.

_____ Yes, my child (named above) will participate in the Spring Showcase performance. Therefore, I agree to volunteer for at least one spot during the Spring Showcase week.
